

Transforming School Climate Mindsets and Ecosystems

Welcome to the 2024 CCSC Annual Event!

**The Keynote: A Climate of Healing
will begin shortly.**

If you can see this slide and hear music or someone's voice,
you are all set.

A Few Helpful Tips for Using the Zoom Platform

Your microphone will be muted and your video will be off throughout the session.

Having trouble with audio? Confirm that your computer speakers are on (or your Bluetooth is on if you want to connect by headphones) and turned up.

To display captions, use the CC Show Captions button on your Zoom toolbar.

Please use the "Chat" feature for comments.

Use the "Question and Answer (QA)" feature to send questions to the presenters.

Links to all resources will be available in the Resource tab on your Zoom toolbar or pasted in the Chat.

For help with technical issues, email schoolclimate@wested.org.

NOTE: Today's session **will** be recorded and posted.
